News from Pastor Stephen Giles

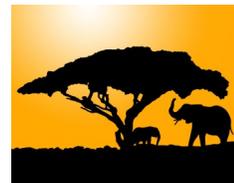

*Dear Mt. Moriah Pastors,
Beloved of God,*

Greetings from Mt. Moriah USA. I pray all is well with the Body of Christ here in the States, Kenya, and Uganda. We are just beginning the big planning stage for our next trip to be in Kenya. This trip, we are bringing some pastors who grew up in Mt. Moriah Ministries from their teens, and now pastor works of their own. Please keep this in prayer with us if you will. We would like to gather as many Mt. Moriah pastors and wives as possible to be together before the Lord. It's good to hear what God is doing and to hear a fresh word from Him. We want to use our time wisely and make each day count while we are there. Please also pray concerning Missionary David Faris being able to visit with our pastors in Uganda. Pray his financial support will

increase greatly.

The Shaws are now back in Kenya after a short break here in the U.S. Always feel free to contact them and us here in the U.S. and let us know how things are going.

*We pray daily for all our Mt. Moriah pastors and your families and churches. You are doing a good job and although you may get weary at times, keep plowing, for in due season the Lord tells us, we will reap a Harvest, if we faint not! This is what we are doing here in the States. Don't relax your hand from the plow! **God give you power!***

MM School of Ministry International

We are excited to announce that three students, Linda Williams, Ed Irizarry, and Beatrice Williams are new graduates from the MM School of Ministry in October at our Annual Fall Convention here in New York. We are proud of them and

look forward to seeing all God has in store for them as they step up into new levels of service for the Kingdom of God. Also, the Shaws have helped Pastor Allen and his wife start a new MM School of Ministry with fourteen students as the starting class. Keep them in prayer.

Pastor Anna Young

Pastor Anna Young, the Director of the Mt. Moriah International School of Ministry, is presently completing her Masters Degree. Anna is also the Administrator of our Mt. Moriah Academy, grades pre-K through 12. Anna serves as the prayer pastor as well. Anna came to us after graduating from Zion Bible Institute in Providence, Rhode Island. She, like her pastors, is originally from the great state of Maine. Pastor An-

na enjoys traveling to Kenya each year to be with the Mt. Moriah children, and also with the Mt. Moriah pastors and students in the School of Ministries in Kenya and Uganda. Anna has been traveling to Kenya for quite a few years and has also had the privilege of being on a Mt. Moriah Team to Uganda where she met Pastor Ishmael Oguttu and wife.

Pastor Cyrena McNally

Pastor Cyrena McNally has faithfully pastored the people of Southport, North Carolina for many years. She is a fiery preacher, originally born in Canada.

Once under a denomination that did not avail itself to much mentoring, Pastor Cyrena asked if it would be possible to

come under the covering of Mt. Moriah Ministries International. Having graduated from the same Elma Marta, the Giles, without hesitation, invited her and her congregation to serve the Lord together in His vineyard. We have enjoyed our fellowship and communication with them for

several years now. Her and her congregation are also faithful supporters of our Children's Home. We pray God's richest blessings and His affirmation on her as well as great increase!

Pastor Rachel Chinnery-Todman

Pastor Rachel Chinnery-Todman pastors a wonderful congregation in Bronx, New York City. Pastor Rachel is originally from the Caribbean Islands. She has pastored in the Bronx for quite a few years. Pastoring in this huge

city is quite a challenge. A lot of counseling and prayer must be done over the phone as it takes so long to travel from one place to another in New York City. The Giles are prayer covering and occasional counsel as well.

Women's Pastor—Linda Russ Williams

Pastor Linda Russ-Williams has been a diligent student and servant of the Lord here at Mt. Moriah Ministries in Glenmont, New York. Linda has just earned her Associates Degree in Ministry and has served first as Women's Ministry Leader and then has graduated up to being a pastor in the House to the women of Mt. Moriah Ministries.

Her loving ways and creativity

have made her a great blessing and inspiration to the women of Mt. Moriah. Linda has a servant's heart, is a powerful intercessor and longs to be continuously in the Presence of the Lord.

Please keep Pastor Linda in your prayers. Her beloved husband, Walter, went home to be with the Lord in the last few months. He saw her graduate from Heaven.

Youth Pastor—Eddie Irizarry

Eddie Irizarry was raised a pastor's son. Throughout his early years, he wandered away from the Lord and got involved in a rough and wild lifestyle. His life fell apart. One day, he and his now wife, Maggie, were driving by Mt. Moriah Church and felt a pull to visit. Eddie and Maggie

committed their lives to the Lord and began the journey of serving Him. Eddie has graduated with his Associates Degree in Ministry and is planning to go on for his Bachelors. Eddie and Maggie are faithful warriors, working diligently with our Youth here at Mt. Moriah, Glenmont.

Women's Co-Director—Beatrice Williams

Beatrice also was raised in a pastor's home. It seems the calling of God can be often generational. She has graduated with her Associates Degree in Ministry and will continue on directing and leading the women of Mt. Moriah.

God has done great things in her life. She had been divorced from her husband, Tom, for quite a few years. God has restored their marriage. They were remarried this summer and will continue to serve the Lord together.

A Word from Pastor Meredith

It is our joy to work with each of you! Know that Pastor Stephen and I pray together early each morning. This has been our ritual for most of our married life and ministry. We want you as pastors, leaders, students and co-laborers together, to know **YOU** are covered in prayer, daily, without fail. We are here for you and it is our heart to be of great encouragement to you and yours!! God has a great plan for each one! Leading can be strenuous at best, and at times, the attacks can overwhelm. **Know this—God always has a way of escape and will make that way clear as we press on in His Presence together.** There are times I have had to get

with other members in the Body, to hear their hearts and hear their stories and let them be used by the Holy Spirit to resuscitate me in His Presence. We have victory, or should I say, great victories in the Lord who is Sovereign in

Pastor Stephen and oldest son, Ben who ministers with him.

His ways!!

BE BOLD!! BE STRONG!!
For the Lord thy God is with you...and so are we!
What an exciting time to be alive and working for His Kingdom! Don't let the enemy fake you into believing his lies of defeat. **Be more than a conqueror!** Know that Father is with you, never against you, and learn that one of your greatest weapons is to **labor into the rest of God that He has for you!** He knows what He is working in you, through you and for you. He who sits on the circle of the earth never loses control, neither does He slumber nor sleep. He is Almighty God, worthy of our trust and all of our praise!!
